Top Tips FOR HEALTHY PETS THIS WINTER

Our clinicians have some top tips for keeping pets fit and healthy this winter. With the darker nights and colder weather, it’s important to pay close attention to your pet’s needs.

HERE ARE OUR TOP 10 TIPS:

- **Reduce**
  - walk times in cold weather and keep pets active indoors

- **Attach**
  - a reflective light to your pet's collar to make them visible

- **Put a coat**
  - on your dog for winter walks

- **If you notice**
  - signs of hypothermia, seek specialist help immediately

- **Avoid**
  - walking your dog on ice

- **Remove**
  - snow and grit from your dog’s paws after walks

- **Ensure**
  - your pet is microchipped and your details are up to date

- **Keep**
  - pets dry and check they have a warm place to stay inside

- **Regularly**
  - check water sources are not frozen

- **Store**
  - anti-freeze away from your pets and clean up any spillages
